More Than Words Can Say - Wikipedia

More Than Words Can Say is a superbly written historical tale with excellent characterization and moments of light romantic tension. The novel is very descriptive, sometimes funny, and always charming as it paints a picture of Honey Grove, TX, and its inhabitants. Even though it is the second book in the Patchwork Family series, it can ...

Alias - More Than Words Can Say(with lyrics)

I have found such a treasure in the latest book from Robert Barclay, More Than Words Can Say, and to say if you haven't read it, you'll want to pick this one up and completely set aside some time to get lost in the characters and the story. The premise of the story takes place at a lakeside cottage tucked away in the Adirondack mountains where
