Get this from a library! Non-places : introduction to an anthropology of supermodernity. [Marc Augé] -- "Shopping malls, motorways, airport lounges - we are all familiar with these curious spaces which are both everywhere and nowhere. But only now do we have a coherent analysis of their far-reaching ...

### **Non-places : introduction to an anthropology of ...**

The invasion of modern life by these "non-places" is central to this work. The book explores the distinction between "place", encrusted with historical meaning and creative of social life, and "non-place", to which individuals are connected in a uniform, bureaucratic manner and where no organic social life is possible.

### **Non-places : introduction to an anthropology of ...**

The term was introduced by Marc Augé in his work Non-Places, introduction to an Anthropology of Supermodernity. The perception of a space like a non-place, however, is strictly subjective: each of us in his or her own way can see the same place as a non-place, or as a crossroads of human relations.
