The Winter Murder Case. The Winter Murder Case (1939) is a Philo Vance novella that S. S. Van Dine intended to expand into his twelfth full-length book, a project cut short by his death. The Winter Murder Case seems especially similar to the B mystery movies of the 1930s, a cross between Van Dine's usual style and the film style.

A great addition to this list is Valentine's Day murder by Leslie Meier. Although the entire book is not set in a snowstorm the book is set in the winter in Maine. So the setting is cold and snowy and the final climax Takes place during a big snowstorm. I also would like to take the time to mention how much I love your website.

Grande, a fiftyish private investigator who drinks too much and smokes too much weed, is the central character created by my friend Dom Grassi for his first novel Death in Chicago: Winter. It's a murder mystery and is planned to be the first of four, the others taking Cosmo and the sort of skullduggery one enjoys in mysteries through spring, summer and fall.
