Note: This post is only about a specific claim Scott Wolter made prior to hosting America Unearthed. For my reviews of the show, please see my America Unearthed reviews page. America Unearthed star Scott Wolter claims to hold a 1987 honorary master's degree in geology from the University of Minnesota-Duluth. This claim appears in his corporate biographies, and he claimed the degree in a 2009 ...

Scott Wolter's Apparently Non-Existent Degree - Jason Colavito

Principles of Animal Science is an introductory course into all faces of animal and food sciences. The course will introduce students to the world of animal agriculture and allow them to become more familiar with common terminology, physiology, practices and other aspects of many animal industries.

Substance abuse, also known as drug abuse, is a patterned use of a drug in which the user consumes the substance in amounts or with methods which are harmful to themselves or others, and is a form of substance-related disorder. Widely differing definitions of drug abuse are used in public health, medical and criminal justice contexts. In some cases criminal or anti-social behaviour occurs when ...

A stroke is a medical condition in which poor blood flow to the brain results in cell death. There are two main types of stroke: ischemic, due to lack of blood flow, and hemorrhagic, due to bleeding. Both result in parts of the brain not functioning properly. Signs and symptoms of a stroke may include an inability to move or feel on one side of the body, problems understanding or speaking ...

The DSM-IV-TR classifies conversion disorder as one of the somatoform disorders which were first classified as a group of mental disorders in 1980 in the DSM III.. The new description of somatic symptom disorder in DSM-5 represents a big step forward, because the decision has been made to use, for classification, a positive criterion, namely maladaptive reaction to a somatic symptom, instead ...
