Names and titles Name. Puyi's name is romanized in English as either "Puyi" or "Pu-yi". This naming is in accordance with the Manchu tradition of avoiding the use of a person's clan name and given name together, [citation needed] but is in complete contravention of Chinese tradition, whereby the given name of a ruler was considered taboo and ineffable. ...

Beyond Good and Evil. As might be expected of a computer science professor, Cal Newport is no technology-hating luddite. One of the things I appreciate most about Digital Minimalism is the care he takes in unpicking the various tradeoffs involved. For example: Facebook produced some studies demonstrating that social media is good. Other researchers find that it's bad.

One fifth of US households now claim food stamps. That's 47 million Americans, living in the richest and most successful society that has ever existed, where food is cheap and plentiful beyond the wildest dreams of people living 100 years ago, who are supposedly so pathetic and helpless that they need the government to feed them, as if they were children.
