My Sister's Voice (Little Black Dress) (2010) About book: This begins with an interesting premise but it just completely jumps into a far fetched, unrealistic turn of events. I wish she had been committed to making the book filled with more believable circumstances. When they sneak a woman, who had JUST attempted to commit suicide out of the hospital the last of my patience was gone.

"I was born into a mentally ill family. My sister was the officially crazy one, but really we were all nuts." So begins My Sister from the Black Lagoon, Laurie Fox's incandescent novel of growing up absurd. Lorna Person's tale is wrested from the shadows cast by her sister, Lonnie, whose rages command the full attention of her parents.

The ending of My Sister's Keeper is surprising and terribly sad. Without giving too much away, can you share why you choose to end the novel this way? Was it your plan from the beginning, or did this develop later on, as you were writing? My Sister's Keeper is the first book one of my own kids has read.
