Published: 7.1.09 Christopher Burke and his crew of NASA astronauts are the first human beings to walk on the surface of Mars. Their return to Earth was supposed to be a momentous day. But a surprise is waiting for them...

#### Offworld - Robin Parrish

Offworld is a gripping and fast-paced tale about the disappearance of every human, and animal, on Earth. I was initially a bit skeptical about the book, Robin Parrish not being an author I have read before. But I'm glad I gave it a try because I really did thoroughly enjoy it.

# Offworld (Dangerous Times, #1) by Robin Parrish - Goodreads

Offworld by Robin Parrish was an easy, enjoyable read. I don't read a lot of science fiction. I have started many science fiction novels, but they usually end up as DNF's. This one, about four astronauts who had spent two and a half years away from Earth on a Mars mission came back to Earth to find everyone missing.

# Amazon.com: Offworld: Robin Parrish: Books

The return of NASA's first manned mission to Mars was supposed to be a momentous day. But when the crew loses touch with ground control before entry, things look bleak. Safe after a treacherous landing, the crew emerges to discover the unthinkable--every man, woman, child, and animal has vanished without a trace. Alone now on their home planet, the crew sets out to discover where everyone has ...

OffWorld by Robin Parrish is a sci-fi fiction book that melds fiction with the real world. It is one of the best Sci-fi books I have read in a long time. The basic premise of the book is the first manned mission to Mars is headed back and when they get back to Earth... no one is there to welcome them home.

I finished "Offworld" by Robin Parrish. Parrish's writing style was very smooth and easy to read. I liked how action packed it was. The characters were interesting, and the storyline kept you guessing right until the end. I love that the book dabbles with different realities and the people disappearance.

Movie-style trailer for Robin Parrish's new novel, the scifi epic OFFWORLD.

# Offworld by Robin Parrish: book trailer

So I made it through Relentless. It wasn't easy turning an online serial into a printed novel, but I did it. Now I had to figure out the sequel. Fearless was an odd beast. It was the toughest nut to crack of the three, the hardest one to write, and it's my least favorite of the trilogy.

#### **Robin Parrish - Official Website**

Robin Parrish was born in Thomasville, North Carolina, to Michael Wayland Parrish and Lutricia Jones Parrish. His earliest writing efforts took place on a plastic, toy typewriter, and resulted in several "books" (most between 10 and 30 pages long) and even a few magazines.

# Robin Parrish - Wikipedia

Robin Parrish is a really good author who can pull you in right from the get go and I would definitely

read more of his books. So if you love science fiction and fast paced end-of-the-world-books or if you're looking for an interesting and guick read, go for Offworld.

# Offworld - Robin Parrish - Ards Evangelical Bookshop

Offworld by Robin Parrish is a thrilling foray into science fiction that reads so well, the pages disappear. Commander Christopher Burke and his crew are returning from a mission to Mars. They find it odd that they have lost contact with ground control, and their landing is definitely dangerous and strange.

# Offworld (Dangerous Times Collection Book #1) by Robin ...

Robin Parrish has this knack of writing books with great hooks. They just keep you reading, wondering where Parrish will lead you, and trying to figure out what's going on. Offworld – while it may not end up ANYWHERE near where you expect it to – is a great example of this trait of Parrish's novels.
