No Flying in the House has a quality in it that children's books today are seriously lacking in. It's imaginative, with detailed illustrations, loveable characters and a friendship that can withstand anything. Unlike most children's book characters, Annabel is polite, kind and an intriguing child living in a house where her best friend and ...

I read "No Flying in the House" in elementary school, and I still love it as an adult. It has magic, mystery and excitement, and it has characters who are not exactly what they seem. It would be a great book to read aloud to a school-age child, or for her to read to you--the story is engaging to both children and adults.
