Sign in to your Bell Mail email address (@bell.net or @sympatico.ca) from the Web here. Or configure your Bell Mail account to work with your email software.

How to use Bell email : Email server settings
Note: You cannot edit an existing email account to switch its account type from POP3 to IMAP or vice versa. To change the account type, you must add a new account of the desired type (POP3 or IMAP) per the Add or edit the email account instructions above. Adding a new account with a different connection type should not require you to delete the old one in most mail clients.
