Markdown Ebook David Sparks

I've been playing with Markdown for a few months. I know most of the basics and have bookmarked links to several of the common sites for markdown syntax. David Sparks, however, has a way of taking relatively dry information and presenting it in a clear, often entertaining way that just works for me.

My Recommended Books - Michael Hyatt
And so continues my zombie reads with David Wellington's Monster Island, Book 1 of his zombie trilogy. This was a Must Read for me since it takes place in New York City, and as a Native New Yorker, books that take place in and around the Big Apple go onto my list.
